 Diode
  String

12

This image shows a single page of primary-ruled paper. It features horizontal lines for writing and vertical lines defining margins on both sides. In the center of the page, the number "10" is printed in a large, grey font. There are several small colored squares scattered across the page: pink ones near the top left and bottom right, a blue one near the bottom center, and a yellow one near the bottom left. The rest of the page is blank, showing the standard ruled pattern.
